

MIDLAND FIGURE SKATING CLUB  
34<sup>th</sup> Annual Summer Skating Program  
June 16 – August 21, 2008

The Midland Figure Skating Club offers a Summer Skating Program from June 16 through August 21 with 8 weeks of Monday through Thursday skating sessions and 4 weeks of bridging ice (2 hours a day) June 30-July 10 and Aug 25-28 and Sep 2-Sep 5. Bridging ice keeps competitors in training or allows families time for summer vacation trips.

USFS or ISI skaters from other Clubs are welcome for the entire Summer School and may register for the pre-paid fees. They must provide their USFS/ISI registration # on their forms. Only registered skaters may make up missed sessions and must notify the monitor before getting on the ice. Sessions may not be made up on City ice. Drop-in skaters must notify the monitor and pay the drop-in fee or City Ice fee for that session before getting on the ice. Free Skating, Dance and MIF are allowed on all sessions and MFSC Ice Rules will be enforced. A USFS test session will be scheduled during the week of August 18.

#### Registration

Registrations are due by Monday June 2, 2008; second payments are due by July 23, 2008. Forms will be processed in the order received. Please complete a separate registration form for each skater in a family, and keep a copy of your completed registration form(s). Sessions are subject to cancellation due to low enrollment – you will be contacted if your registration needs to be adjusted. All make ups are to be taken during the Summer School scheduled sessions. Make ups do not carry over to the Fall Ice schedule. Ice credits are not given for missed days. Previously earned ice credits may be used to pay part of fees.

#### Fees

If your total ice fees exceed \$500, you may make two payments, paying 50% of the amount due with your registration, by June 2<sup>nd</sup>, and the remaining 50% on or before July 23<sup>rd</sup>. Families with bills greater than \$750 may take a 5% discount. Please write one check to cover registrations for all family members. Drop-in fees are set at \$3.00 above the registration fee for the same session. Prepaid City ice punch cards may be purchased in the pro shop for 10 sessions at \$10.50 per session.. Individual sessions may also be purchased at \$12.00 per session. If you plan on using City ice regularly, it is least expensive to buy a punch card. City ice skaters must have cards punched or pay the single session fee before getting on the ice. All MFSC ice rules must be followed on City ice sessions.

Place registration forms (pages 2 & 4) with check (payable to MFSC) in an envelope and deposit in the MFSC mailbox on the wall just outside the locker room door, in the Summer School registration folder in the locker room, or mail to MFSC Summer School Registrar, June Turley, 2325 Rockwell Dr Apt 261, Midland MI 48642-9327.

Skaters must buy punch cards to use City ice and must have cards punched before getting on ice, or pay one-time fee.

#### Off-ice Classes

Off-ice classes will be offered daily and will include group pre-skate warm-up sessions, strength and conditioning classes and ballet for figure skaters. All skaters interested in participating in summer off-ice training should contact Teri Haag at [terisk8s@yahoo.com](mailto:terisk8s@yahoo.com). Your interest will help determine the number and types of classes offered. A separate registration form will be available in the club room and on the MFSC website at a later date.

#### STARS Program / Synchronized Skating
