

Celebrate Skating Ice Festival

Saturday, March 20 - 7:00 p.m.

With the City Council's recent approval to proceed with the new Ice Arena, Fast Ice must now raise \$750,000 to put toward the project.

As our contribution to the new arena, MFSC is going to sponsor an Ice Festival on March 20, featuring as many Midland Civic Arena ice users as possible. **All profits from this event will be donated by MFSC to the Fast Ice Fund Raising Campaign.**

MFSC Club Members, SnowPlow Sam, Advanced Basics & Basic Skills skaters will be featured in group numbers. We are inviting many other user groups (hockey, speed skating, high schools and more) to participate - promoting a festival atmosphere. It should be lots of fun for all participants and spectators, and a great way to raise money for the new arena!!

Key information:

- Practice times to be announced later. They will be on the same day as the session you're currently skating
- There will be one dress rehearsal on Friday, March 19, beginning at 4:30
- Cost to participate is \$20. This includes a t-shirt, which will be worn during the festival
