GENERAL RULES

- Ice use eligibility Only Adult, Junior and Associate MFSC Members may register for “Club” ice sessions. This policy is suspended during summer skating school. As the sponsor of the event, MFSC liability insurance is in force.
- Basic Skills skaters may join MFSC at any time by paying the MFSC membership dues as described above. MFSC membership makes them eligible to use “Club” (for extra ice time or lessons). They may continue to register for Basic Skills programs by paying the group lesson fee. Some restrictions on Club ice will apply to low-skill skaters, at the discretion of the Ice Committee.
- Students, who were MFSC members prior to moving for educational purposes, may skate during academic breaks without paying a membership fee. They must, however, sign a Waiver of Liability and pay current drop-in fees to skate on MFSC ice sessions.
- Summer School, Summer school skaters are not required to be members of the MFSC but must be current USFS/ISI members.
