

MFSC 2005 Summer Synchronized Team Skating Clinic

Wednesday evenings, 7:10 – 8:50 pm (starting June 15)

Youth - 7:10 - 8:00 pm

Adult - 8:00 - 8:50 pm

If you are interested in Synchronized Team Skating – this is the clinic for you!

Any skater at the Learn-to-Skate Gold Star Level or above, regardless of age, is welcome to come out for this session. Skaters will be separated into groups based on age, skill, and team experience. Both individual and team skills will be taught.

We have a variety of goals:

- 1) Expose interested skaters to synchronized skating (in the hopes that they love it and can't live without it!)
- 2) Advance the individual and team skills of those currently in the synchronized skating program
- 3) Prepare interested skaters for an evaluation session on August 10, which will be used to assign skaters to teams appropriate for their age and skill levels (this will help us determine how many teams we will need to field!)
- 4) Fine-tune choreography and music for teams in the fall

Clinic Dates: June 15, 22, 29; July 13, 20, 27; August 3

Evaluations: August 10

Cost per 50-minute session: \$15
