Midland to host Tri State Synchronized Skating Championships

On Saturday, February 16, 2008, the Midland Figure Skating Club will be host for the Tri State Synchronized Skating Championships at the Midland Civic Arena.

Over 600 skaters from Michigan, Ohio, Indiana, Pennsylvania, and Ontario will be competing in this event. Synchronized skating has teams of 8 to 20 skaters performing intricate figure skating maneuvers in unison to music. The teams are divided into levels from Beginners to Seniors as well as Adult and Master level teams.

We would like all our visitors to have a wonderful time in our mid-Michigan

Including skaters, coaches, families, friends, and officials we expect more than 1500 people to be visiting Midland for this competition. We would appreciate your help and support in making our competition cost effective, and also in welcoming these guests to your businesses.

With your help the financial success of this event will enable the Midland Figure Skating Club to make the sport of figure skating more affordable and effective for our area youngsters. We will be able to reduce the costs of our programs while continuing to develop and expand both our programs and our training facilities to serve all levels and goals of our skaters.

Donation opportunities

We would welcome in kind donations, program advertising, coupons for our skater welcome bags, or whatever would help us introduce your business to our skaters while also helping us defray our costs.

Thank you so much for your support!
